Scramble: Both players will tee off. Select the best shot and both players will play from that spot. Continue this format until ball is holed. Ball must remain in same condition. You are allowed 12" from original spot. Nine hole handicaps will be added together and divided by 2, then applied to corresponding holes.

League Wide Individual Matches: Each Player will draw a player to play against on a different team in a heads up match. This is a chance for you to earn individual points for your team and move your team up in the standings. Points from both players will be added for the week.
